STATEMENT OF SUBSTANCE OF INTERVIEW

COMMISSIONER FOR PATENTS  
ALEXANDRIA, VIRGINIA 22313

SIR:

The undersigned appreciatively acknowledges the courtesy extended by Primary Examiner Reis, by holding an interview with the undersigned on September 23, 2008. During the interview, independent Claim 1 was compared with the reference Callahan. One distinction that was made between Callahan and Claim 1, in addition to the previous discussions on the record regarding Callahan disclosing an "intermediate file", was that applicants invention can work with multi-media content, and not merely documents. It was agreed that applicants would file a supplemental amendment with the claim amendment directed to the multi-media aspect as discussed above.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
